

Important Notice for Broker/Dealers

First Investors Funds Distribution Rates on MFPS I

First Investors is pleased to announce that effective immediately, distribution rates are now available for download from DTCC's Mutual Fund Profile Service Phase I on the daily price file.

Dividend and Capital Gain rates are included in the file download that previously only included the daily mutual fund prices. For information about how to obtain this daily file download, please contact your relationship manager at DTCC or call the DTCC Customer Service at 888-382-2721.

If you have any questions about this notification, or need assistance with a First Investors Mutual Fund account, please call Broker Dealer Services toll free at 800-524-2803.
