

Important Notice for Broker/Dealers

First Investors Hedged U.S. Equity Opportunities Fund

First Investors Hedged U.S. Equity Opportunities Fund, the newest addition to our Family of Funds, will be available for purchase effective on or about August 1, 2016. The fund's investment objective is to provide total return and secondarily, capital preservation. The fund will invest in a broadly diversified portfolio of common stocks while also investing in derivatives to help manage investment risk. The fund seeks to provide investors with a portfolio that will generate attractive long-term total returns with downside equity market protection. Wellington Management Company, LLP will serve as sub-advisor of the First Investors Hedged U.S. Equity Opportunities Fund.
